EMPLOYEE OF THE QUARTER – MYRINE BALUYOT

Myrine's student first approach shines through in all her interactions with our past, current and prospective students. Myrine is always advocating for our students in driving us to find more class options so she can respond to student demand for earlier start dates. She has been instrumental in contributing to our success and that of the students she serves.

Thank you for all you do Myrine!

INSTRUCTOR OF THE QUARTER – NANCY GUZMAN

Nancy has a heart of gold, and despite significant personal challenges over the last few years, has remained a dedicated and passionate clinical instructor for our HCA practicum students at Broadway Lodge. In addition to overseeing her own cohorts, she acts as a coordinator and team leader for the other CIs, always willing to step in and assist wherever she can. Her perpetual smile and positive attitude are contagious and inspiring.
